### WHAT A WONDERFUL CHRISTMAS SEASON!

December was a lot of fun! We really appreciate our Activity Staff and all who volunteered to help decorate our facility and make it festive and fun!! We were also very blessed to have a nice view of the park that is all decorated for the season as well. There were many family members that came on Christmas to join their loved ones for a special Christmas Lunch. What a wonderful dietary department we have. They do such a great job all year round.....

Many of the activities specific to Christmas included; making gingerbread houses, a Special Village Lighting Memorial, making cut-out Christmas Cookies, an amazing resident shopping mall where they could buy gifts for just 50 cents each, the Resident and Family Christmas Party, and on the 22<sup>nd</sup> the residents and staff children had a party where they watched Rudolph the Red Nose Reindeer. The activity department also passed out Christmas Gifts to each resident on the 23<sup>rd</sup>.

There were many other fun activities for our residents including, Name that Tune, Jeopardy and the Capps Band. To all who made these things possible to bring such love and cheer to our residents this Christmas Season, *a hearty thank you.*

The Child Day Care is almost ready to open after several obstacles. All the inspections with the State Day Care People, Fire Marshal and Sanitation Department have been completed and passed. Unfortunately, we have to wait for the City to have their Board Meeting on January 9<sup>th</sup>, to approve a change in our zoning to allow us to operate a Child Day Care here. If all goes as planned, we will be in operation on January 15<sup>th</sup>! We are very excited and feel that this is going to be a great benefit for our staff, residents and community.

I wish each and everyone of you a very Happy, Healthy New Year. *Mike Cox, Administrator*

*A quote from Andy Rooney, "I've learned..... that having a child fall asleep in your arms is one of the most peaceful feelings in the world."*
