## Happy Easter!!!

Well, Spring is here, despite what is happening in the world today! Times are challenging to say the least. We are trying our best to keep spirits up and have a fun. Not being able to see our loved ones in person and get those all- important hugs is a little hard on everyone! We are offering face time to our residents and their families. if anyone is interested call Brenda in activities and we can get things set up. Here's hoping this virus gets out of here in a hurry. SO OVER the Corona Virus and it's havoc!!

Meanwhile, we have been doing activities, just in a different way. Lots of hallway bingo! We have been doing most of our activities together in our doorways in the hall. Keep that social distancing up! A Little hallway hockey keeps us busy too. Of course, we keep our strength up with sit-nb-fit too! We have car races and an Easter Egg Scavenger Hunt coming up too! We will be cooking out some hotdogs and enjoying the outdoors in the days to come. I'm always open to any ideas for fun activities
