Blessed are they who understand
My faltering step and shaking hand.

Blessed, who know my ears today
Must strain to hear the things they say.

Blessed are those who seem to know
My eyes are dim and my mind is slow.

Blessed are they who looked away
When I spilled my tea that weary day.

Blessed are they, with cheery smile,
Stopped to chat for a little while.

Blessed are they who know the way
To bring back memories of yesterday.

Blessed are those who never say
“you’ve told me that story twice today”.

Blessed are they who made it known
That I am loved, respected and not alone.

Blessed are they who will ease the days
Of my journey home, in loving ways.
