With the facility still being on lockdown, we have gotten even more creative with our activities! To kick off these summer days, the residents will get to attend COVID friendly BBQ's with music, yummy food, and fun in the sun. Hallway bingo is still a weekly favorite around here, as well as pretty nails, door to door happy hour, and hallway bowling! Father's Day may be celebrated differently this year, but our continuous efforts to go above and beyond will always stay the same. Summer tends to bring us back to our patriotic roots. So, the red, white and blue will be the main focus and theme for not only our crafts, but also snacks and the outdoor picnic style BBQ's! Keeping our special residents smiling and loved on is the biggest priority here in the Activities Department!
